CIRCULAR

Sub:- Incorporating validity of licence as part of licence number in the sale bills –reg

The Rubber Board is in receipt of a representation from the Indian Rubber Dealers Federation, Kottayam in which they requested to issue a direction to all the dealers to incorporate the validity of license as a part of licence number printed on their sale bill. It is informed that by doing this the dealers can avoid the unlicensed transactions as they easily notice the validity of the seller before effecting the purchase. As such all the dealers are requested to incorporate the validity along with their license number while printing the sale bills.
